CUSTOMER TOOL RETURN FORM

Thank you for purchasing a PLS laser. We appreciate your business and we trust your experience with our products has been rewarding.

PLS tools carry a three year warranty from date of purchase. Lasers determined to be out of calibration or malfunctioning due to a severe impact (obvious or significant divot on housing, cracked/broken window) or battery acid corrosion cannot be covered under warranty.

Please follow these instructions when you need to return your tool.

- Complete this form and email (plslaser.orders@fluke.com) to request an RMA #.
- **Once you receive an RMA#, ship your tool only (do not include any accessories or battery doors) and RMA paperwork** to:

  Fluke Electronics Corporation
  PLS Service RMA #_____
  9028 Evergreen Way
  Everett WA 98204

  Please note shipments received without an RMA # will be returned to sender.

If the tool is in- warranty, we will ship a replacement tool upon receipt and warranty validation of your original laser at no cost to you.

For non-warranty service, PLS offers new condition tool replacements at an attractive discount compared to new retail costs. These are new tools, not refurbished and carry a three-year warranty. **Credit card information is required at the time of RMA request for pre-approval of replacement product**.
